

U3A Chess Network Privacy Policy

Who do we collect personal data from?

The Network collects personal information from people requesting newsletters and members.

What data do we collect?

We collect name, email address, the U3A you belong to and some of your preferences around the playing of chess.

How do we use your data?

email address: we use it to keep you up-to-date with our meetings, events and activities

Name: we use it to keep a list of members

Your U3A: by asking you this we hope you are a member of the U3A

Chess preferences: so we can contact you about those activities you might like to take part in like a Chess League

Who do we share your data with?

We keep the list of members' email addresses on a Google Group

etc
